HEALTH, SAFETY & ENVIRONMENT (HSE) POLICY

The long-term business success of South Western Technologies & Oilfield Services Limited depends on our ability to continuously improve our products and services while protecting our people and the environment in which they work and live. It is a commitment which is in the best interests of our customers, our employees, and our stockholders. HSE is the responsibility of line management, with the active commitment and support of all employees.

We will strive to:

- ❖ Protect the health and safety property of our employees, our customers, our contractors and third parties
- ❖ Protect the Environment in the communities where we work and live

We are committed to the proactive integration of HSE objectives into our management systems at all levels, actively reinforced by our reward and recognition programs. This is critical to our business success because it reduces risk and adds value to our products and services.
